

### TASK 1 - ORAL PRESENTATION

You have an important meeting in London today. You are at the airport in Manchester queuing up by the check-in counter. The hostess asks you for your plane ticket, and after a while, she informs you that your flight is fully-booked and you have to wait until the next flight which is in 6 hours. You certainly cannot miss that meeting. In about 2 minutes explain how you would react and how you would like the airport staff to solve the situation for you. You have 1-2 minutes to organise your ideas.

### TASK 2 – ORAL INTERACTION

#### 8. MEANS OF TRANSPORT

You and your classmate are preparing a speech in English on the advantages and disadvantages of using public transport or your own car. You and your partner have about 5 minutes to discuss all the pros and cons until you decide what is more convenient for you.

You have 1-2 minutes to prepare your ideas individually.

#### PROS AND CONS:

<u>Using your car</u>	<u>Using public transport</u>
- More comfortable	- Need more time
- More expensive	- Cheaper

### TASK 1 - ORAL PRESENTATION

Last month you visited your Welsh friend, Brian, at his home and his dog attacked you when he opened the door. Fortunately, you were not badly injured. In about 2 minutes explain what happened giving as many details as possible and how you reacted. You have 1-2 minutes to organise your ideas.

### TASK 2 – ORAL INTERACTION

#### 8. MEANS OF TRANSPORT

You and your classmate are preparing a speech in English on the advantages and disadvantages of using public transport or your own car. You and your partner have about 5 minutes to discuss all the pros and cons until you decide what is more convenient for you.

You have 1-2 minutes to prepare your ideas individually.

#### PROS AND CONS:

##### Using your car

- Need parking space
- Faster

##### Using public transport

- Irregular service
- Allows you to relax
