

House, Home and Surroundings

Task 2: interaction

Candidate A:

You are with a colleague talking about living in the city and in the countryside. You prefer living in the city. You and your partner have about 3-4 minutes to explain the differences between living in a city and living in the countryside and say why you prefer living in the city.

You have 3 minutes to prepare your ideas individually.

Here are some ideas:

- A lot of shopping facilities, services and cultural activities
- Active night-life

Candidate B:

You are with a colleague talking about living in the city and in the countryside. You prefer living in the countryside. You and your partner have about 3-4 minutes to explain the differences between living in a city and living in the countryside and say why you prefer living in the countryside.

You have 3 minutes to prepare your ideas individually.

Here are some ideas:

- Quieter, less stressful, less polluted
- Can do outdoor sports and activities
