

## Relations with other people

### Task 1: monologue

You are talking about your partners and ex-partners in your English class. In about 2 minutes, tell your classmate about a partner you have had/ about your present partner. When/Where (e.g. on Facebook) did you meet for the first time? What was your first date like? What did you like most about her/him? Did you get married/have children? Did you break up with your partner? Is there something you don't like about her/him?/ Was there something you didn't like about her/him? What do you have in common?/What did you have in common?
