

Weather, climate and environment

Task 1: monologue

You are in your English class talking about pets. In about 2 minutes, tell your partner about the pet(s) you have/ have had/ would like to have. Explain why you like animals, or why you don't like them or can't have them (e.g. you are allergic, don't have space or time to take care of it, etc).
You have 2 minutes to prepare your ideas.
