

## House, home and surroundings

### Task 1: monologue

You are talking to your friend Monica about the changes you would like to make in your house/flat right now. She has already talked about them. Now it's your turn.

In about 5 minutes tell Monica about those changes, i.e. in decoration, in plumbing and heating/air-conditioning, in paving, in carpentry, electrical and lightning changes, garden changes, extensions or even new furniture and other household items you would like to buy. Provide different reasons and examples and explain them. You have 4 minutes to prepare your ideas individually.
